

# Concept Tiles

2019

Motion is distinguished by its extremely light and subtle design, to achieve maximum certification in wood. We have carefully worked on its design, to separate the imperfections of the material and present a collection of superior character. This collection is completed with unique shapes, achieved with water jet technology.

Motion se distingue por su diseño extremadamente ligero y sutil, para conseguir la máxima certificación en madera. Se ha trabajado cuidadosamente su diseño, para separar las imperfecciones de la materia y presentar una colección de carácter superior. Esta colección se completa con formas únicas, conseguidas con la tecnología water jet.
